This year, with fewer staff we have arranged clubs a little differently. Mr Goodchild is taking a number of clubs as you can see. Sometimes the clubs are by invitation rather than for everyone. This is because older children in Class 3 learning or playing Chess with Class 1 children is not practical and the children do not enjoy it. We want all children to learn the skill of playing chess, but in a way that we can build it up – as you see above.

Badminton is also by invitation from the classes as outlined above.

Gardening Club will generally take place at lunch time and all children can choose to attend.

Cheer leading is everyone in the Spring term.

All clubs that run after school will incur a £2 charge. Please can we ask that this is paid per half term, directly in to the school account.
